TENTED CAMP PROGRAMMING

GENERAL MANAGER'S NOTE

Selamat datang and a warm welcome to Capella Ubud, Bali

Transcend your imagination back in time, to the mid 19th century, multi-mast Dutch schooners arriving on the shores of Bali, Officers & crew coming ashore, trekking up the river valleys to dense tropical forest rich in fruit, spices and coffee. Here they would pitch tents, establish their living quarters and create a camp, welcome to your adventure.

Whether it's climbing an active volcano for sunrise, tasting over 35 indigenous chocolates from around the archipelago, being blessed by a Balinese Healer or simply enjoying an afternoon nap while being serenaded by the forest symphony, the offerings are vast and varied. Our caring family of Capella Culturists specialize in Balinese experiences curated to your liking in addition to ensuring your comfort.

The most cherished memories in life tend to originate from journeys unlike anything we have ever done.

May your visit to Capella Ubud be filled with genuine Balinese smiles, extraordinary discoveries and precious moments.

Enjoy,

Christian Jaquier
General Manager

Auriga, whose namesake is a constellation in the northern hemisphere, has a distinctive approach to wellness and beauty based on the cycles of the moon.

Since time immemorial, it is believed that the different phases of the Moon impact the body in very specific ways; the New Moon is the time for renewal and introspection, the Waxing Moon is the period to refocus and 'sow seeds', the Full Moon is when one's full potential is achieved, and the Waning Moon is the perfect time for cleansing. Every aspect of the Auriga experience is designed in harmony with these varying energies of the lunar phases to align you with the rhythms of nature for your enhanced wellbeing.

ACCESSIBILITY

Capella Ubud, Bali is located in dense rainforest on sloping terrain leading to the sacred Wos River in Keliki Village. Whilst accommodation on flat terrain is available, some of the tents are perched up high and are located on steep terrain. The safety and security of our guests remains our top priority, as such, we politely advise the camp might be physically difficult for children below six years old and guests with mobility challenges due to the nature of the camp site's terrain. Let us know prior to arrival so we may provide accommodation closer to our camp's public areas.

Bali's International airport is Ngurah Rai International Airport which is located 1 hour and 45 minutes from Capella Ubud, Bali by car. Ubud centre is only 20 minutes' drive from the camp.

CAMP PREPARATION

Upon arrival at our camp, you will be provided with a complimentary duffel bag that contains camp essentials, including insect repellent and aromatherapy oil, just to name a few.

CLOTHING AND FOOTWEAR

Please pack attire suited to camp adventure to help you make the most of your experience. Whether the weather is cool or warm, you will be most comfortable in casual clothes suitable for performing outdoor activities and lounging around the campsite. We recommend bringing lightweight natural-fibre clothing, a light sweater, shawl or cardigan and a walking hat as outdoor temperatures may dip in the evening and the early morning.

Being in a natural rainforest environment, we highly recommend you bring flat rubber sole walking shoes as the grounds may be slippery in the early morning and during the wet season. Also, remember to pack your favourite exercise shoes to enjoy the camp's many low and high-impact cardio-vascular activities.

Please keep high heels shoes at home.

TO NOTE

To safeguard our camp residents' privacy no drones are allowed on site.

The Camp is set amongst the rainforests of Keliki, Ubud, where you will be blessed with the sights and sounds of nature and cross paths with various indigenous flora, fauna and birdlife. As a guest of Capella Ubud, Bali, your experience includes sleeping inside canvas walls which allow you to hear the sounds of nature and surrounding from dusk till dawn.
