GABRIELE TADDEUCCI

EXECUTIVE CHEF

From a young age, Chef Gabriele Taddeucci always had a deep passion for food. Hailing from Lucca, Italy, Taddeucci has spent two decades fine-tuning his skills under a number of high-profile chefs in leading restaurants throughout Italy, France, Switzerland, England and America and Australia. It was his move to Sydney that prompted him to fall in love with the unique landscape and regional Australian ingredients.

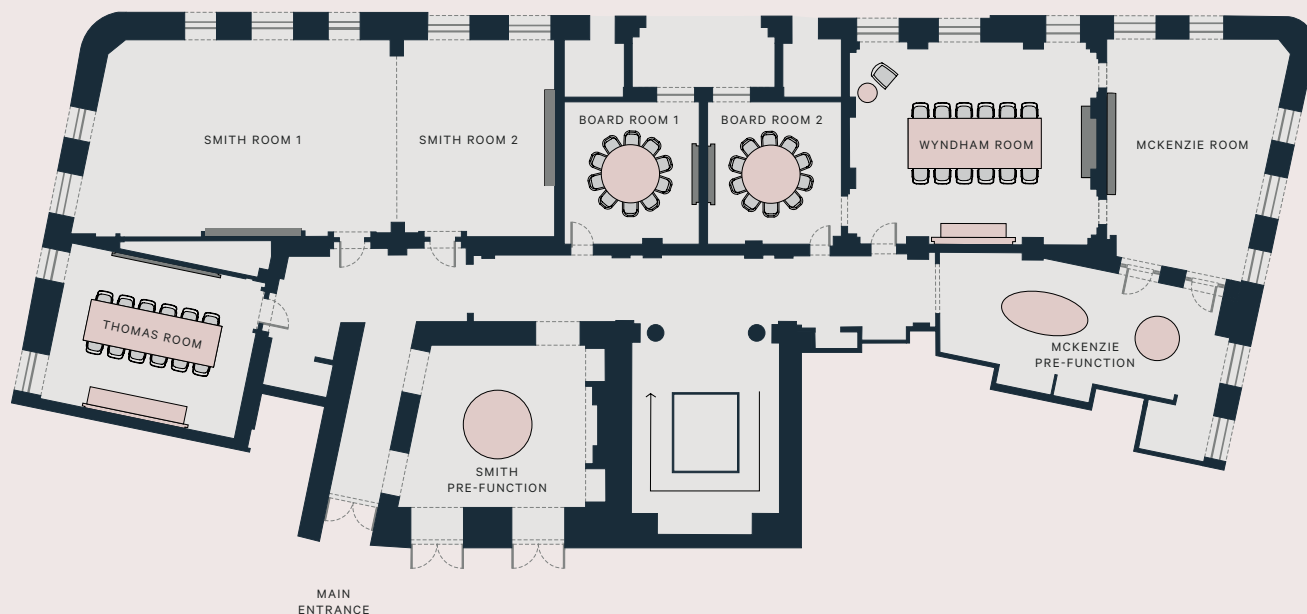

Chef Gabriele's journey led him to Capella Sydney where he uses his vast experience to marry unique native produce with multicultural twists. He is particularly invested in working with small-batch growers to hand-select the freshest and highest quality local ingredients that are showcased throughout our menus and pay homage to Australia's unique landscape and heritage.

Catering for groups of 2 to 80 persons, each space features high ceilings, an abundance of natural light and the latest in high-tech conferencing equipment. Our events team are experts in the craft of hospitality delivering exceptional, personalised service to ensure memorable experiences.
